EXPERIENCE

Prosper IT Consulting, Portland, OR – Intern *Software Developer*

JANUARY 2019 - FEBRUARY 2019

Worked on a full scale MVC Scheduling application. Programmed a calendar that accessed the database and updated dynamically using Entity Framework, C# and JQuery. Users could also use the calendar to create new schedules or time off requests.

Aranyaprathet High school, Aranyaprathet, Thailand – *Teacher*

OCTOBER 2015 - OCTOBER 2016, MAY 2018 - MAY 2019

Quickly adapted to a literal foreign environment and successfully taught English to over 500 students. Handled unfamiliar workplace conflicts with patience and cultural awareness.

Anoka Hennepin, Anoka County, MN – *Substitute Teacher*

DECEMBER 2016 - APRIL 2018

Learned quickly, problem solved, and improvised as every day was a new experience with new classes. Some days provided with detailed plans and other days provided with no plan at all.

Costco, Coon Rapids, MN – *Meat Wrapper*

JUNE 2014 - SEPTEMBER 2015

Quickly and efficiently completed a large number of tasks by sensibly managing time, which included patiently dealing with customers.

EDUCATION

The Tech Academy, Portland, OR – *Software Development*

Intensive Bootcamp with over 600 hours of instruction in; the fundamentals of Computer Science, HTML/CSS, JavaScript/JQuery, C#/.NET/ASP.NET, Web Development, Object-Oriented Programming, Agile/Scrum, SQL, Database management/CRUD, Source Control and more.

Saint John's University, Collegeville, MN – *Political Science*
